

PYRO SHOWS NEW HIRES

Before you can start working for Pyro Show you must complete the following paperwork as well as watch the required videos. This can be done online from your computer or smart phone. Follow the directions below to complete the required information.

- Take a picture of you driver’s license and send it to keysa@pyroshows.com
- Go to the Pyro Shows web site located at <http://www.pyroshows.com/>
- Click on the **PYROTECH PORTAL** link at the lower right hand corner
 - Password is ***epicevents***
- Click on the **PRE-EMPLOYMENT CENTER** tab
 - Click on the **EMPLOYMENT APPLICATIONS** tab
 - Complete the appropriate application
 - Standard Pyro Shows Employment Application
 - DOT (Pyro Shows Drivers) Employment Application
 - Return to the Pre-Employment Fulfillment Center
 - Click on the **PYROTECH TRAINING VIDEOS** tab
 - Watch the ***Fireworks Transportation and Handling Safety*** video
 - Watch the ***APA’s “Celebrate Safely”*** video
 - Watch the ***Pyro Shows Barge & Floating Vessel Safety*** video
 - Submit the form of completion after viewing all three videos
 - Return to the Pre-Employment Fulfillment Center
 - Click on the **OSHA GHS VIDEO & QUIZ** tab
 - Watch the OSHA & GHS Video
 - Take the quiz afterwards
 - Return to the Pre-Employment Fulfillment Center
- Under the **Downloadable Printable Forms** complete the following:
 - Complete the appropriate EPQ form based on the state your working in
 - Tennessee
 - Texas
 - Alabama
 - W4 Form
 - Direct Deposit Form
 - I-9 Form (Provide two of the documentation required, ex: color copy of driver license and social security card or birth certification. Has to be from the listings)

****All forms can be emailed to keysa@pyroshows.com***

ADDITIONAL TRAINING FOR NEW HIRES

It is recommended to watch the following training videos before working your first show. Additional videos are available but not required.

- Go to the Pyro Shows web site located at <http://www.pyroshows.com/>
- Click on the **PYROTECH PORTAL** link at the lower right hand corner
 - Password is ***epicevents***
- Scroll down the page and click on the red **PYROTECH TRAINING** tab
 - ***Pyro Shows Sandbox Instructions***
 - Read and review the slides
 - ***Pyro Shows Methods – Seminar Ed.***
 - Read and review the slides
 - ***Outdoor Display Training Videos***
 - Rack/Mortar setup assembly
 - Aerial shell chain fusing tutorial
 - Cake Fusing & bagging

Again, additional training videos are available but not a requirement.
